Open Book: The Village of Reedsville Assessment Roll will be available for examination on April 16, 2015 from 4:00 pm to 6:00 pm in the hall of the Reedsville Municipal Building, located at 217 Menasha Street. To schedule a time to discuss an assessment with the Village Assessor, please contact the Village Clerk-Treasurer at 920-754-4371 during normal business hours.

Cell Phones vs. Land Line Phones: Many people no longer have a land line (Frontier) phone in their homes. Cell phones are used in place of regular phones. If this is the case, please call the Village-Clerk's office at 754-4371 and let us know your phone number. Even if you have a land line phone and a cell phone, it would be helpful to have both phone numbers on file in case of an emergency.

Chipping will done the 1st & 3rd Tuesday in the months of April thru October. Clean woody vegetative material no greater than six inches (6") in diameter, and not less than four feet (4') in length can be shredded. Lumber (treated and untreated), skids, and other construction and demolition waste can not be shredded. Place near curb with cut ends facing street. If you are interested in the wood chips, the pile is located near the compost area.

Chipping for April will be April 7th and 21st.

Compost: Yard waste such as grass clippings, leaves, and yard & garden waste shall be disposed of by composting the material or leaving it at the Village compost site. Items NOT to be put in the compost are: stumps, roots, shrubs with intact root balls, animal waste, and sod. A sign will be erected by the compost that is ready to be used by the public.

Vehicle Nuisance: It is illegal for any partially dismantled, non-operating, wrecked, junked, unregistered or discarded vehicles to be placed or stored on any public or private property within the Village limits for a period of longer than five (5) days, unless said vehicles are stored within an enclosed building. This ordinance does not apply to property zoned for the sale or repair of vehicles. Having a vehicle behind your garage or under a tarp does not meet the requirement of an enclosed building.

Recycling Pick-Up: April 10th and 24th.

Were you wondering who is buried in the cemetery on Menasha St.?

John Vondrachek and his volunteers have made a map of those buried. John will make available this map with the names at the Preservation of St. Mary's Historical Building. He and his volunteers - Georgia Rabideau, George Shamburek, Jeff Vondrachek, Ken Brochtrup and Dave & Miriam Meier helped with this bit of history. A list of names are also in a book at the Manitowoc Historical Society listed under St. Mary's Town of Maple Grove (but really it's in the Village of Reedsville). VOLUNTEER NEEDED

The Aging & Disability Resource Center of the Lakeshore is looking for a volunteer dining site manager willing to staff the Reedsville Senior Dining Site and Meals on Wheels program on Thursdays from 9:30 a.m. – 12:30 p.m. Duties include receiving the hot food, packaging the home delivered trays, serving the congregate meal, clean-up, and minimal paperwork. Training will be provided.

The congregate and home delivered meal programs are very important to the community. These programs provide socialization, interaction, nutrition, and in the case of home delivered meals, they make it possible for some seniors to live independently in their community.

For more information about this program, or if you would like to give some time to this worthwhile endeavor, please contact Alyssa Weber, Nutrition Director, at the ADR of the Lakeshore, 920-683-4180.

Reedsville Lioness

The Reedsville Lioness will hold & conduct the annual Reedsville Wide Rummage Sale in May. The date will be set at the March 19th meeting. So call 754-4370 to find out the dates and sign up for this big Reedsville event. A brat/burger/steak fry will also be held on Friday/Saturday of the Rummage Sales. We hope you'll join us at this event. Make it truly a Reedsville Community Affair. Fees will be charged for ad placed in the newspaper. A special decorative sign will be available for each home.

MORE ON THE IN.FORM PROGRAM

Questions & answers with Dr. Pacheco.

Q. If I am overweight, where should I begin?

A. One of the biggest challenges I see in my patients wanting to lose weight is trying to figure out how and where to get started. With so many fad diets and "miracle cures" being promoted, it's easy to understand some of the confusion. The program I have been most impressed with is Nature's Sunshine's IN.FORM weight management system. IN.FORM is a cutting-edge program that has been developed by PhD's, physicians, nutritionists and other wellness practitioners with many years of experience. IN.FORM is the number one program I recommend.

Luis N. Pacheco, MD, FAAFP is an Emmy award-winning family physician and is Board Certified in Family Medicine. He received a CAQ in Sports Medicine and is a Fellow of the American Academy of Family Medicine. Dr. Pacheco is a member of Nature's Sunshine's Worldwide Medical and Scientific Advisory Board.

Ronda had this to say about the IN.FORM program, "My metabolism changed and I am proud of how good I feel. Every day is a new day, and it doesn't have to be about my weight...it's now about my health."

Remember...the IN.FORM program is about health...not just weight management.

The Reedsville Area Senior Citizen's Meeting will be on Tues., April 21, 2015 at 1:30P.M. in the Community Room at the Reedsville Manor. All interested area Seniors are welcome to join us for an afternoon of fun, socializing, and playing cards and sometimes interesting guest speakers.

A tiny orange sticker can save a life

Despite continuing efforts to educate the public, misconceptions and inaccuracies about organ and tissue donation persist. It's important to learn the facts about organ, eye and tissue donation, so you can make an informed decision about becoming a potential donor. Currently more than 123,000 men, women and children are awaiting organ transplants to save their lives. Thousands more are in need of tissue and cornea transplants to restore their mobility and sight. Transplantation is one of the most remarkable success stories in the history of medicine. However, the need for organs and tissue is vastly greater than the supply. Transplantation gives hope to thousands of people with organ failure and provides many others with active and renewed lives. The Wisconsin Donor Registry opened about five years ago. In addition to having the orange sticker on your license, you are encouraged to register on the Wisconsin Donor Registry at: YesIWillWisconsin.com. Although you can register at the Department of Transportation/Division of Motor Vehicles when renewing your license or ID, Wisconsin has an eight-year renewal process, so registering online today ensures that a person's wishes will be honored immediately. Anyone older than age 15½ who holds a Wisconsin driver's license or State identification card can register. Signing up on the online registry means you authorize the gift of your organs, tissues and eyes upon your death for the purposes of transplantation, research and education.

However, we have many valuable plants NOW— tulips, kalanchoe, lilies, daisies, daffodils, and many more. These would make wonderful Easter items or just thinking about you gifts or surprises. Come in and see.

April 5 – Easter: Will have fresh cut flowers of all kinds for centerpieces, gifts, baskets and surprises. Call ahead for items or come in the week before. Plants are also available. Give someone a corsage for Easter.

April 11 – Reedsville Prom: Call as early as possible for those special corsages and boutonnieres for the big event. We are offering a big variety of flowers as well as designs. Call 754-4370. Maybe you would like a hand bouquet for the event. It's something new and different. This would make a big HIT for that special date.

April 22 – Professional Day (Secretary's Day): Remember those who keep you on track for those special meetings, events and activities. They do so much for you. This includes secretaries, but wives and girlfriends or others too. Call 754-4370 for your needs.

Remember Birthdays/ Anniversaries with flowers or plants.

We do our best for your loved ones or special friends.

Don't forget sympathy flowers TOO! They may be big or small pieces. Unusual or casual arrangements. We do them all. Look at our Facebook Page **Reedsville Corner House and Garden Center** for new ideas and tips!

This month we are featuring another volunteer and this is what she had to say about being a volunteer here at Sunrise:

I volunteer at Sunrise Horse Farm because I have time, knowledge, and talents to share with others. Volunteering has expanded my knowledge of horses and created a companionship with other volunteers and the horses. The opportunity provides an investment in our community and supports the youth who live in it. This unites people from diverse backgrounds to work toward a common goal, building camaraderie and teamwork. ~Marie
This poem is from Corrina who started coming to Sunrise in 2008 and she is now a college graduate:

Not all that glitters is gold.

But did you know?

Not all that is gold, glitters.

Sunrise Horse Farm looks like all the others, yes.

But to tell a true diamond,

and real gold from fools...

you must get close. You must stop, listen, feel.

Once you do, you will see

the glitter at Sunrise Horse Farm, and it is beautiful.

There are several youth organizations that desire to use our program here at Sunrise...we have many available volunteer openings that have to be filled. Give us a call, send an email..we can work around your schedule.
