VITAMIN B5 (PANTOTHENIC ACID)

Pantothenic acid, also known as vitamin B5 is classified as an essential, water-soluble B vitamin. Deficiencies can cause problems related to the skin, liver, thymus gland, and the nervous system. "Panto" means everywhere. It makes hormones in the body, makes nerve-regulating substances and food processing destroys it. Canned fruits and vegetables lose 50-62%, frozen fruits and vegetables average a loss of 7-47%, respectively.

SIGNS ASSOCIATED WITH SHORTAGES OF VITAMIN B5: weakness, fatigue, reduced antibody production, occasional nausea, stomach cramps, muscle cramps, reduced adrenal gland function, occasional sleeplessness, irritability, restlessness, and apathy.

MOST VITAMINS ARE REDUCED BY: alcohol, acidic beverages, radiation, Rx drugs, dyes, caffeine, sodium, tea, coffee, sulfites, nitrates, irradiation of foods, prolonged cooking, cooking in water - boiling, blanching, cooking or baking with aluminum foil/cookware.

TOP FOOD SOURCES OF PANTOTHENIC ACID:

5 oz. shiitake mushrooms = 2.13 mg

1 cup avocado = 2 mg

1 cup yogurt = 1.45 mg

5 oz. crimini mushrooms = 1.3 mg

Are you and your family getting 10 mg of Pantothenic Acid every day? Nature's Sunshine has an excellent B Complex which is on special for August with 25% off the retail price.

FRIENDS OF ST. PATRICK PLAN HARVEST PICNIC

The Friends of St. Patrick's eleventh Annual Old Fashioned Harvest Picnic is scheduled for Sunday, September 8, 2013, starting with an outdoor Mass at St. Patrick's Heritage Park area, Maple Grove, at 10:30 A.M. This historic Irish settlement of Maple Grove and Franklin townships accounted for over 43% of the Irish in Manitowoc County in the 1880's, and was one of the largest Irish settlements in Wisconsin. Maple Grove is located at the intersection of County Tr. G and Taus Rd. The event will include kids games, adult games, a group of young Irish Dancers, Sisters' Kitchen full of sweets and goodies, a kolache making demonstration with sales of the freshly baked kolaches, a large Silent Auction, featuring a football autographed by the Super Bowl Winners, the Green Bay Packers, Chicken booyah, brats, hamburgers, refreshments, and fresh produce. The Irish Dancers will be performing in the early afternoon and there will be musical entertainment for rest of the afternoon. A raffle will be held with monetary prizes of \$400, 2-\$100, 2-\$50, and 2-\$25. With a total of \$750 payout. Ticket prices are \$1.00 each or 6 for \$5.00 and are available from members or by calling (920) 732-3462. Tickets will also be available on the grounds the day of the picnic. Drawing for the winning tickets will be held at 4:30 P.M. on the picnic day. Winners need not be present to win. In addition, there will be genealogical search help available. The Friends of St. Patrick, Inc. is a non-profit organization established in 1992 for the purpose of preserving the rich Irish Heritage of the Maple Grove/ old St. Patrick Parish area. The group has members locally and throughout Wisconsin, but their membership also includes members from 23 different states and Canada. The Friends of St. Patrick, Inc. publishes a newsletter twice a year entitled, "THE GROVE NEWS", which has a mailing of 250 copies. Could you help us fill a need for our program here at Sunrise? **BARN NEEDS:** metal plates to cover the barn gutters - the opening is 2' X 17' and we do have some plates but not enough to safely cover the area. This has been a need since we opened in October 2007 and we have tried sheets of plywood, however, that only holds up for a short time. Whatever you can do will be much appreciated. **DAILY CHORES:** there are openings for morning & afternoon chores which consists of feeding and watering the horses, keeping the barn swept, etc. **MENTORING:** we have students that come to help with various projects and they need someone to be there...this does not require you to be with the horses, unless you want to. **OFFICE ASSISTANT:** this person may help with email, phone calls, scheduling appointments, filing, and or assist with other clerical duties. **YARD MAINTENANCE:** weed-whacking - this is much needed as we live in "burdock heaven" - we have the equipment. **PROFESSIONAL ASSISTANCE:** often we are in need of the special skills a professional can bring. Please contact us if you are a professional in any of these areas and would like to help: accountant or veterinarian. You may have a skill that you would like to share so please contact us.
Thank you for whatever you can do to fulfill our mission here "Encouraging Youth to find Hope".

Learning with arthritis

Arthritis is a general term referring to many rheumatic diseases that cause pain, stiffness and swelling in joints and other connective tissues. More than 100 different illnesses can cause arthritis and impact supporting structures such as muscles, tendons, ligaments and other parts of the body.

Osteoarthritis is the most prevalent type of arthritis. According to the Arthritis Foundation, osteoarthritis is a very common condition of aging, impacting nearly 50 million Americans.

People with osteoarthritis usually have joint pain and limited movement. There is no single treatment program that applies to all people with arthritis. Each case is different.

If diagnosed with arthritis, your health care provider may recommend a combination of treatments, including medications for pain relief, rest and relaxation, proper diet and weight management and exercise.

Physical and / or occupational therapy has been shown to reduce the painful symptoms of inflammation, help prevent deformity and permanent joint stiffness and maintain strength in the surrounding muscles.

To reduce your chances of developing arthritis:

- maintain a healthy weight
- do regular, gentle exercise, including walking, stretching and yoga
- avoid repetitive motions and risky activities that may contribute to joint injury, especially after age 40

Obtaining a proper diagnosis, managing pain and controlling the disease long term are the keys to helping people with arthritis learn to live well with their condition.

I hope everyone is having a safe and happy summer.

Remember to have your WIAA sports physicals done early if you need one for the upcoming year.

Denise Brilliant, NP, is a nurse practitioner at Aurora Health Center in Reedsville. To schedule an appointment, call (920) 754-4337.

FROM THE REEDSVILLE POLICE DEPARTMENT

Road closed: Residents will be affected by the Hwy 10 road closure starting the week of July 15 and continuing into late August. At times this construction may become frustrating and tiresome but the Reedsville Police Department is asking for your cooperation during the process. All residents will be able to travel north and south across Hwy 10 to get to residents or businesses in the affected area but the entire length of Hwy 10 from Cty W to east of Pleasantview road will be closed. If you need to get to a residence or business on Hwy 10 during the construction you will be allowed to do so using the shortest route of travel possible. The barriers and detour are set up as a safety measure for crews working in the area and should someone move or travel around a barricade they could be cited and receive a fine. We will have patrol officers in the area regularly to ensure the safety of all traveling or working in the affected area. Please remember people who normally travel Hwy 10 will be using alternative routes during the construction and there may be increased traffic near your home. There is a posted detour which directs traffic around the Village but we have found during construction many chose to travel through local cities or villages rather than use the posted detour. We have no problem with this and hope all will obey the posted speed limits in your neighborhoods. Should you have any traffic problems or concerns during the construction please feel free to contact us at (920) 754-4656 or pdjoe@reedsville.org. There is also a Department of Transportation project office site set up in the Reedsville Fire Station parking lot at 100 Industrial Drive, Reedsville WI 54230. There will be a site manager at this location usually between 8 a.m. to 4 p.m. Monday to Friday to answer any questions you may have. Our goal is to assist residents and the Department of Transportation and return to normal travel as soon as possible. To keep everyone informed during the project we plan to post weekly construction updates on the new Village of Reedsville website at www.reedsville.org.

Sincerely, Chief Jo Ann Mignon
