## Adults need vaccines, too!

You never outgrow the need for vaccines. The specific immunizations that adults require are determined by factors such as age, lifestyle, high-risk conditions, type and destinations of travel and personal immunization history.

Throughout their lifespan adults need immunizations to protect against pertussis, tetanus, diphtheria, mumps, pneumonia, HPV, chickenpox, shingles, and influenza.

**Pertussis:** Most people were vaccinated against pertussis (whooping cough) as children. The Centers for Disease Control (CDC) recommends that adults receive a pertussis booster shot to strengthen their lifetime immunity.

If you receive a tetanus-diphtheria (Td) booster every 10 years as recommended, you won't need an extra shot for pertussis. Vaccine makers have added a pertussis component to that booster vaccine (Tdap), which is recommended for all parents and grandparents in an effort to prevent children from developing pertussis.

Other vaccines adults may need:

- Mumps vaccine: Check with your health care provider to see if you need a MMR booster.
- Pneumococcal vaccine (pneumonia shot): Recommended for adults 65 years and older and others with specific health conditions.
- HPV vaccine (human papillomavirus): HPV vaccines are given as a series of three shots over a six-month period. There three different HPV vaccines; the CDC indicates the vaccines can be received through age 26 among females. Commonly known as a preventative measure against developing cervical cancer, two of the HPV vaccines can also protect against genital warts and anal cancer in males and females. Young men can get vaccinated through age 21. The vaccine is also recommended for any homosexual man through age 26, and for men with compromised immune systems (including HIV) through the age of 26, if they did not get the HPV vaccine when they were younger.
- Varicella vaccine: Protects against the viral disease commonly known as chickenpox. Adults without evidence of immunity to varicella should receive two doses of single-antigen varicella vaccine, unless they have a medical contraindication.
- The same virus that causes chickenpox causes shingles. A shingles vaccine helps protect those age 60 and older.

And finally, adults looking to avoid the flu should receive an annual flu vaccination.

## 13<sup>th</sup> Annual Old Fashioned Harvest Picnic

The Friends of St. Patrick, Inc. of Maple Grove will sponsor their 13<sup>th</sup> Annual Old Fashioned Harvest Picnic on Sunday, September 13, 2015 on their grounds located at the corner of Taus Rd. & Cty. Rd. G in Manitowoc County. An 11:00am outdoor Mass will start the day. Booyah, Hamburgers, Brats, Refreshments, Kolache making demo & sale and sweets of all kinds will be available. There will be a large silent auction, and a white elephant sale. Entertainment will be provided by "Still Crusin" with Donnie & Patty, and Irish Dancer "Maureen" will be adding some fancy steps to entertain. With the Civil War 150 year celebration this year, there will be uniformed Civil War actors present throughout the day. There will be kids & adult games, a raffle with 7 monetary prizes, an old tractor show & much more. Genealogy help will be available for those interested in searching or wanting to update their family tree.

*Fun for the entire family!*

### Corner House/Garden Center

Plan now! For your fall planting season. It is a good time to buy fall mums to decorate your landscape. Corner House will have a BIG variety of colorful mums. Develop a new patio pot or add one or two in your existing pots. Call 754-4370 for information about them.

Now is the time to plant spring bulbs! Tulips/Daffodils. We would like to see hundreds of daffodils planted all over Reedsville and the Reedsville Area. We'll have daffodils for sale at Corner House. Plant them in groups of 3 or 5 and use bone meal in the holes. Rabbits don't like daffodils. We are calling it Operation Daffodil 2016. Come join us with this effort!

August 7/8—Summer Theater will be in Reedsville. Get your actor/actress fresh flowers. We'll be at the school selling them. Part of the profit goes to support Reedsville Summer Theater. Come and check out our Fall decorative things at the Corner House. There are new and different creations waiting for YOU!

## IN.FORM SESSIONS - BURN FAT/BE FIT/FOR LIFE

The IN.FORM sessions troubleshoot possible hurdles with the Weight Management Assessment. This includes appetite, metabolism, blood sugar balance/snacking, cleansing/digestion, emotional/stress, energy/hormones and water/hydration.

Come join our sessions on Mondays at 6 P.M. & Wednesdays at 5 P.M. You can start the 13 week session at any time..join in to learn and have a delicious shake each week.

Dr. Pacheco has more answers and questions in regard to weight management such as **REDUCED RISK FOR DEMENTIA**: Did you know that excess abdominal and visceral fat can increase your chances of developing memory loss and dementia? The problem is that visceral fat contains cells that can release inflammatory chemicals in the body, which have been linked to a number of health problems including brain function. Another great reason to start losing a few pounds today!

And remember the sessions are about healthy lifestyle...not just weight management.

### Reedsville Area Garden Club

HAT'S OFF to everyone for planting so many flowers in Reedsville. The homes are decorated beautifully with flowers.

HAT'S OFF to the garden club members who planted and are now watering our large pots/flower beds in Reedsville. What would we do without these great volunteers!!

If you wish to join, please call 905-4370. We need help in the fall/winter too.

Idea!!! We would like to start Operation Mailbox decoration. Plant Black-eyed Susan on right side of mailbox and a Sedum on the left side of mailbox. We have some great plants for you—Garden Club—at Corner House. Check it out TODAY! The prices are reasonable and great! Then, in summer 2016, you could plant orange/yellow marigolds in front for summer color. Let's begin Operation Mailbox decoration in Reedsville. If you don't have a mailbox you could still join us. Plan a spot in your front yard, Black-eyed Susan on right and Sedum on left leaving a small space for colorful Marigolds. The Black-eyed Susan/Sedums are perennials. They come up each year. Let's try this!

### ORGANIC COMPOSTING

Friends of the Branch River is hosting "Organic Composting" public event and potluck! Come join us Thursday, August 6th for a potluck-style dinner at 5:30pm at Whitelaw Sportsmen's Club located at 423 North Hickory Street (just off Highway 10). At 6:30 we have a presentation for adults inside the building about organic composting and also will be having children's activities/program held outside under the building's large overhang. Please bring a donation to offset building/supply expenses. Please RSVP to Emily at (920) 323-3486 by August 3rd. A big thank you to our Event Sponsor—Jim's Excavating from Whitelaw!
