Healthy eating need not be complicated

By Denise Brilliant, NP

Eating right need not be complicated. These recommendations can get you started in the right direction:

- Emphasize fruit, vegetables, whole grains and low-fat or fat-free milk and dairy products.
- Include lean meats, poultry, fish, beans, eggs and nuts.
- Make sure your diet is low in saturated fats, trans fats, cholesterol, salt and added sugars.

Think nutrient-rich, rather than "good" or "bad" foods. The majority of your food choices should be packed with vitamins, minerals, fiber and other nutrients, and be lower in calories.

Make smart food choices by selecting foods from all food groups to get the nutrients your body needs. Fruits and vegetables should be fresh or frozen. Select dark green vegetables such as leafy greens and broccoli and orange vegetables including carrots and sweet potatoes.

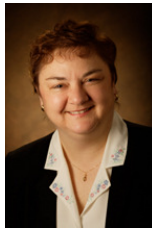

Vary your protein choices with more chicken, fish, beans/legumes, and peas.

Eat at least three to six servings of whole-grain cereals, breads, crackers, rice or pasta every day.

Look for foods low in saturated fats, trans fats and cholesterol to help reduce your risk of heart disease. Most of the fats you eat should be monounsaturated and polyunsaturated fats. Check the Nutrition Facts panel on food labels for total fat and saturated fat.

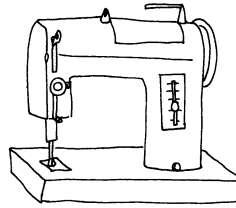

If you have specific questions or need more guidance on healthy eating, ask your health care provider for a referral to a registered dietitian.

Denise Brilliant, NP, is a nurse practitioner at Aurora Health Center in Reedsville. To schedule an appointment, call 920-754-4337.

T.O.P.S. - TAKE OFF POUNDS SENSIBLY

Our Reedsville T.O.P.S. group has had an outstanding year at becoming lighter and healthier. From the beginning of the year through October our chapter has recorded a net loss of 111.7 pounds! Some of you might remember our chapter had won the award for losing the most weight of all 32 Wisconsin chapters when the first quarterly meeting was held this past spring. WE DID IT AGAIN! Our chapter recorded the most weight lost per person for the third quarter with an average weight loss of 3.3 pounds per person. This is quite an accomplishment for our newly formed chapter.

We are forming a group to join the Lean on Lakeshore health challenge that starts in January. If anyone is interested in joining the county wide challenge and would like to join our team for the support we would gladly welcome you. You do not need to join T.O.P.S. to join the Lean challenge with us. Male or female we would be glad to have you on our team for the challenge. The Reedsville T.O.P.S chapter would like to wish everyone a happy and safe 2015 holiday season. Think about becoming a leaner and healthier you in 2016! Come get the support and knowledge you need so you too can face the scale each week. Make 2016 the year you carry through on that New Year's resolution to become a better you. Join us on Tuesday evenings at the Village Hall. Private weigh-ins start at 6:00PM, and meeting from 6:45-7:30PM. Yearly corporate dues are \$32.00 and monthly dues of \$5.00 for our local chapter. First meeting free! Questions or concerns contact Linda at [920-901-1397](tel:920-901-1397) or email topswi1562reedsville@gmail.com.
