From the Village Hall

Compost: Yard waste, such as grass clippings, leaves and yard and garden waste, shall be disposed of by composting the material or leaving it at the Village compost site located at 300 Mud Creek Road. Items NOT to be put in the compost are: stumps, roots, shrubs with intact root balls, pine cones, animal waste, and sod. A sign will be erected by the compost pile that is ready to be used by the public.

Compost – Non Residents: You must reside in the Village limits to dump items in the compost area.

Open Burning/Fire Pits: All fires must be monitored by a responsible person until the fire has extinguished itself completely. Only clean wood may be used in fire pits and flames cannot extend more than two feet (2') above the pit. Controlled burning must be located off the public street pavement or street gutter, must be at least fifteen (15') from any lot line and may not be less than fifteen feet (15') from any building. Persons utilizing and maintaining outdoor fires shall be responsible for any liability resulting from any damage caused by their fire.

Curfew: Any person under the age of 18 unaccompanied by a parent or legal guardian may not be out and about between 11:00 pm-6:00 am Sunday through Thursday and 12:00 am-6:00 am, Friday and Saturday.

Bicycle Registration: All bicycles must be registered. To obtain the license, flag down a Village Police Officer. A \$2.00 fee covers a one-time registration.

Defecation on Private or Public Property: It shall be unlawful for any person owning or in control of a dog or cat to allow or permit such animal to defecate on any private or public property owned by another person. Violation of this shall be punishable by a forfeiture of anywhere from \$20.00 to \$200.00

Last installment of your real estate taxes: The Manitowoc County Treasurer is reminding taxpayers that July 31st is just around the corner and this means the last installment of your real estate taxes is due. Contact the Manitowoc County Treasurer's Office or go to the County website at www.manitowoc-county.com if you are unsure of the amount of taxes due. Along with your check, please mail in the 2nd installment tax stub with your payment to assure that your payment is applied to the correct parcel. Make certain that your payment is postmarked by July 31st. Please include a self-addressed, stamped envelope when requesting a receipt.

Pool Owners: You must fill out the Swimming Pool Discount Application to qualify for the swimming pool discount. No other form of submittal will be accepted. A fill-in application can be found on the Reedsville Website at www.reedsville.org under the Forms and Permits tab or picked up at the Reedsville Municipal Building Lobby.

Chipping Dates: July 5th and 18th

Recycling Pick-Up: July 14th and 28th.

Reedsville Alumni Association News

Congratulations to the members of the RHS Track & Field team who took the journey to LaCrosse to compete at the state track meet. Great job all and congratulations to those bringing home hardware.

By the end of July the newsletter will be printed so they can be mailed the first part of August. Because homecoming is earlier this year, we want to make sure that people get the news about homecoming and make plans to come and celebrate with us. Our Reedsville Panthers play the Mishicot Indians on Friday, September 15, 2017. The annual banquet/meeting is being held on Saturday, October 7, 2017. Contact any of your classmates who live out of the area to come home to celebrate our 60th year. As always we are looking for updated addressed or email addresses. If celebrating a reunion this year, please contact us with your updated lists. They should be emailed to reedsvillealumni@hotmail.com.

Thanks to the approximately 4% who support your organization. You know who you are.

Reedsville High School Alumni Association – Promoting Panther spirit beyond graduation.

QUALITY IS IN OUR ROOTS

Natures's Sunshine founders realized early on that offering quality products was essential to the company's success, so they hired a Technical Director of Quality Control in 1974 to oversee product quality. Our Quality and R&D departments have grown considerably since then, as they now include Ph.D. chemists, biologist, pharmacognosists, medical doctors, health science researchers, technical document controllers and more. Nature's Sunshine's in-house quality experts determine the most potent and biologically active forms of raw materials for each of our products. This includes everything from determining the ideal harvest time for each herb, establishing which part of the plant - root, stem, leaves, flowers, etc.- contains the greatest concentration of active components, and verifying the growing conditions that allow a specific ingredient to develop necessary active constituents. As an example, the potency of peppermint depends on the temperature and amount of daily sunshine it receives. Without sufficient sunshine, peppermint doesn't fully develop the necessary active constituents to provide a health benefit.

Our quality experts travel the globe auditing potential vendors, thoroughly inspecting facilities and equipment, monitoring harvesting and cleaning techniques, checking documentation and regulatory requirements, and ensuring that each supplier adheres to Good Manufacturing Practices. Our auditors also follow the flow of raw material from harvesting and processing through testing, observing vendors' methods and techniques. Nature's Sunshine has over 600 assessments at their disposal to validate the quality, purity and potency of raw materials and finished products.

Men's Health

Q. I've been hearing about Men's Health Month, and I'm wondering about the current recommendations for health screenings for men.

A. All men should have an annual physical exam to check their weight, blood pressure, blood glucose levels, immunizations, and also to conduct any recommended cancer screenings. Screenings can discover cancers at an early stage. Your doctor might recommend these

screenings:

Colorectal cancer screening: Starting at 50, men should get tested every 10 years (or more if high risk) to help identify and remove polyps before they turn cancerous.

Lung cancer screening: Screening for lung cancer is recommended annually for adults 55 to 80 years who have a history of smoking or currently smoke.

Skin cancer screening: A skin exam by a dermatologist or other health professional should be

part of a routine checkup.

High blood pressure screening: Hypertension can lead to severe complications including stroke, heart attack and kidney failure.

Cholesterol screening: Starting at 20, men at increased risk for heart disease should begin screening. At 35, all men need regular cholesterol testing.

Diabetes screening: Men at average risk should have a fasting blood sugar test, glucose tolerance test, or an A1C to evaluate blood sugar levels every three years, starting at 45.

Americanism

The Reedsville Gosz/Novak American Legion Auxiliary # 199, continually promote Americanism. This past year the group was involved in the "I SPY STARS AND STRIPES" program. Member, Bernice Brochtrup, watched for businesses and organizations in the Reedsville community that displayed the American flag regularly.

She found that 18 places of business or organizations displayed the American flag regularly. In thanksgiving for their patriotic efforts, the Reedsville Auxiliary presented certificates of appreciation on Tuesday, May 23 to the following at their place of business.

The Reedsville Elementary School, Reedsville High School, Denmark State Bank Reedsville Branch, Reedsville Manor, Lorrigan Construction, The Old Bar, Amvets Unit 1032, Webster's on 3rd Street, Ted Reinemann & Son, U.S. Reedsville Post Office, Wausau Insurance Office, Cenex Service, The Reedsville Fire Department, Veterinary Associates, J & J Service, Rainbow End Campground, Reedsville Municipal Building, and Equity Livestock Auction Market.

The Reedsville American Legion Auxiliary would like to encourage all businesses and organizations to continue to show their patriotism by flying the American flag daily, when weather permits.
