RAA Summer Baseball/Softball Sign-up is March 22

Sign up for all kids interested in playing on RAA sponsored Summer Baseball and Softball Teams is March 22, 2016. Sign-up is in the Cafeteria at the Reedsville High School. We are using an open format this year. Players can sign up anytime from 6:00 until 7:30pm. There is a \$20 fee per player. This must be paid at sign up. (Maximum of \$50 per family) This fee will be reimbursed to you later in the season if the player decides to participate in the MCYS Pizza Fundraiser.

Also, we have decided after having to replace pants every 1-2 years because of wear, tear and up keep. All boys players in Peanuts, PeeWees and Pony will have to purchase their own pair of GRAY pants through the RAA. We will have sample sizes and an order form at sign up. Used pants from previous seasons will be available for purchase at a discount.

**Volunteer Coaches* are needed, please let us know at sign-up if you are interested.

T-BALL REGISTRATION

The Reedsville Athletic Association will be sponsoring a t-ball league this summer for boys and girls ages 5 to 9 years old.

Four year olds are allowed as long as they have a parent/guardian helping out the team all season long.

Reedsville Alumni Association News

Remember the days...March Madness. Looking at the school calendar for 2016 we see state team wrestling, girls & boys basketball state tournament games. The forensic team working their journey to state, which occurs in April. Then we have daylight savings time beginning, the senior class play, and spring sports teams starting practice as the first day of spring arrives. Then Easter rounds out the month. (No, we did not forget solo & ensemble – that happened in February this year.)

The Alumni Association board is thinking about the 2016 Homecoming game and annual banquet/meeting. We now know whom and when we play, so we are getting our plans set for the annual campaign. This will all be published in the annual newsletter, which comes out in late summer.

We have been receiving information on a few of the names previously published, but we are far from getting the list updated. It is still very long and getting this info is very time consuming. We are only down to 466 on the list – we started with 490. This month we will be concentrating on people who had celebrated reunions in 2015. If anybody from the following classes of 1970, 1985, 1990, 1995, 2000, 2005 or 2010 has a booklet or a copy of a booklet that they would share, please email (reedsvillealumni@hotmail.com) or mail (PO Box 431, Reedsville, WI 54230) to us. If we do not receive this info before the deadline for the April newsletter, names will be published. We would like to thank the classes of 1965 & 1975 for sharing what they had put together for their reunions. The class of 1980 shared their list, but we are still missing information on the following: Scott Baroun, Louann Behnke, Dawn Fenn, Jeff Ferdon, Jackie Hills, Patti (Grimm) Keyser/Siebert, Chris Michalski, Linda Peters, Daniel Piek & Dale Reznichuk. If you have information on these people, please contact us.

Thanks to the approximately 4% who support your organization. You know who you are.

Over 50? Get screened today!

Colorectal cancer is the second leading cause of death from cancer in the United States. Approximately 93,000 new cases of colon cancer and nearly 40,000 new cases of rectal cancer were diagnosed in 2015, alone. Overall, a person's lifetime risk of developing colorectal cancer is about 1 in 20 (5%).

Common signs of colon cancer include a change in bowel habits or blood in the stool, but these same symptoms may be caused by other medical conditions as well.

A high percentage of colorectal cancers could be avoided if everyone over 50 had regular screening tests. Aurora Health Care's preferred screening method is colonoscopy; it's recommended every 10 years. Colorectal cancer can actually be avoided by removing any pre-cancerous polyps (growths) found in the colon during a colonoscopy.

People at higher risk for colorectal cancer or with a family history of the disease may need to have these tests done earlier and more often.

Colorectal cancer treatments have improved in recent years. There are now more than 1 million survivors of colorectal cancer in this country.

There may be many excuses *not* to be screened for colon cancer — such as the time involved, the possible costs, or the advance preparation needed. There is, however, one excellent reason to do it — it could actually save your life. So, if you (or someone you love) is 50 or older, please get screened today!

Denise Brilliant, NP, is a nurse practitioner at Aurora Health Center in Reedsville. To schedule an appointment, call 920-754-4337.

T.O.P.S. - TAKE OFF POUNDS SENSIBLY

Can you believe March is here already? Soon we will not be able to hide underneath our layers of winter clothing. All our excess poundage will be there for everyone to see! It's time to start working on that better body. As a TOPS chapter we encourage each other to exercise and stay moving. To stay motivated when exercising it helps to mix up the types of exercises you do. So on March 15th Susie Griepentrog will join our meeting to show us how to incorporate stretchy bands in our exercise programs.

Also in March our TOPS chapter will hold a Tupperware fund raising event. Books will be available from any Reedsville TOPS member. If you need help finding your summer body join us on Tuesday evenings at the Village Hall. Private weigh-ins start at 6:00PM, and meeting from 6:45-7:30PM. Yearly corporate dues are \$32.00 and monthly dues of \$5.00 for our local chapter. First meeting free! No meeting April 5th due to voting. THE TRUTH ABOUT OIL QUALITY

As there have been many questions about essential oils, this is the response from NSP.

Essential oils are most effective when in their authentic, natural state. When NSP began offering essential oils more than 15 years ago, we discovered many competitive oils on the market had been altered, standardized and enhanced for flavor, fragrance and economic advantage. Natures' Sunshine raised the bar. We guaranteed that our oils are 100% authentic.

Recently, the wellness market has been flooded with new essential oil offerings. Each claims its own "grade," be it "A," "therapeutic," "clinical," medicinal" or even "certified." The truth is these grades do not ensure oil authenticity. They are created solely by the companies selling the oils. Conscientious health seekers should know there is no third-party governing body that certifies or grades essential oils. Thus, many essential oil companies sell adjusted, altered and even synthetic oils and call them pure and therapeutic. Since many essential oil companies source their products from fragrance, flavor and even chemical brokers, they do not oversee the entire supply chain. They sacrifice the all-critical relationship with the source harvester and distiller. Nature's Sunshine maintains that the best safeguard against adulteration is to know your source. Our essential oils are uniquely backed by the SureSource Guarantee: a practice that absolutely verifies essential oil authenticity back to cultivation, harvest and original distillation.

motion was made by Lorrigan and seconded by Campana to have MPU send final letters to the 2 businesses that are not cross connection compliant giving them until December 28th or the water service will be disconnected. Motion carried 4-0.

Busse informed the Board that he will present the insurance concerns on alcohol being stored at the Fire Station at their next meeting.

Krepline gave update on his shoulder.

Krahn explained the new posting law. Campana introduced Resolution 2015-7 regarding the change on agenda posting. A motion was made by Reis and seconded by Siebert to approve the Resolution as presented. Motion carried 4-0.

The discussion on the meeting with the Reedsville Athletic Assn was postponed until the next regular scheduled meeting.

The next regular monthly meeting will be held on Thursday, January 14, 2016 at 6:30 PM. A motion was made by Reis and seconded by Siebert to adjourn the meeting. Motion carried 4-0. Meeting adjourned at 7:15 PM.
