REEDSVILLE SUMMER MUSIC PROGRAMS ANNOUNCED

A series of four outdoor evening musical performances will be presented at the Reedsville Firemen's Park in the summer months. Admission is free, and the concerts are sponsored by the Reedsville Economic Development Committee, which will be accepting donations to cover the costs of replacing playground equipment and establishing the Reedsville Park & Bark dog park at Bubolz Memorial Park.

According to Mark James Glasow, Director of Musical Programs for the Committee, "Last year's concert event, which featured The Burie Family, was a great success, and this year we've expanded the program to offer a wide variety of music ranging from band numbers and patriotic songs to country and gospel. Refreshments will be available, and we'll have other attractions to appeal to children. We invite individuals and families from throughout the area to attend."

The programs begin on May 20th with a concert by the Two Rivers Municipal Band. Known for their renditions of popular favorites, big band classics, and polka tunes, the band has established a large following throughout the east central Wisconsin area. Dean Konop, an accomplished caricature artist, is also scheduled to appear.

On June 10th, just in time for Flag Day, singer/pianist Debbie Kutz will present a combination concert/sing-along featuring patriotic airs and other songs.

On July 22nd, the six-member Red Star Express Ensemble will host a lively evening of bluegrass and gospel favorites played in their unique harmonic style.

The series will conclude on August 19th with the popular Wayside Band in a program of old and new favorites.

Mark comments, "We've structured our programs to appeal to a wide range of musical tastes, and we're fortunate in being able to attract some of the best local talent. Please tell your family and friends and mark your calendars now for four evenings of quality musical entertainment."

Firemen's Park is located on Park Street just off Manitowoc Street in Reedsville. For further information, please contact Mary Jo Krahn, Clerk-Treasurer, at 920-754-4371 or visit the Village of Reedsville website at www.reedsville.org.

She continued working in the field for the past five years, but is happy to be back at OST Brillion. "OST is a very welcoming place to work. They are committed to and supportive of continuing education. I prefer to work in a private practice setting with a smaller company feel. I enjoy being a physical therapist because I believe my gentle nature makes people feel at ease. I am also a good listener and most importantly, I provide hope. There is always something physical therapy can improve, whether its flexibility, strength, or balance despite a chronic or degenerative condition." Act FAST in case of stroke
Stroke is the fourth leading cause of death and a leading cause of disability in this country. Someone in the U.S. has a stroke about once every 40 seconds, killing nearly 129,000 people annually. To reduce the chance of stroke, all adults should be screened for the primary risk factors — high blood pressure, high cholesterol, diabetes and smoking. If you smoke, please take the steps needed to quit. There are different types of strokes. Strokes due to lack of blood to the brain are the most common. Blood vessels are narrowed or blocked by fatty plaque or by clots that form and block blood flow to the brain. This kind of stroke is called a "brain attack" because it is like a heart attack when blood and oxygen does not get to the muscle or brain tissue.

Other strokes are caused by rupture or bleed in the brain. These are treated differently, but rapid treatment is also needed.

Signs of stroke

Remember the acronym

FAST:

F = Face: Ask the person to smile. Does one side of the face droop? **A = Arms:** Ask the person to raise both arms. Does one arm drift downward? **S = Speech:** Ask the person to repeat a simple phrase. Is his or her speech slurred or strange? **T = Time:** If you observe any of these signs, call 9-1-1 immediately.
