Tips to kick start an exercise program

Starting an exercise program may be one of the best things you can do for your health. But how should you start? Having a realistic plan will help you achieve your fitness goals.

Keep these points in mind:

- Most adults should aim for at least 150 minutes of moderate-intensity aerobic activity — or 75 minutes of vigorous aerobic activity — a week. Adults also need two or more days of strength training a week.
- If you're just beginning to exercise, start cautiously and progress slowly. If you have an injury or a medical condition, please consult with your health care provider or a physical therapist beforehand, for help in designing a fitness program that meets your individual needs.
- Finding time to exercise on a regular basis can be a challenge. To make it easier, schedule time to exercise as you would any other appointment. You could set aside time to watch your favorite show while walking on the treadmill, or read while riding a stationary bike.
- Plan to alternate among activities that emphasize different parts of your body, such as walking, swimming and strength training.

Starting an exercise program is an important decision. Consult with your health care provider if you have questions or concerns. By planning carefully and pacing yourself, you'll succeed in establishing a healthy habit that lasts a lifetime.

NATURE'S SUNSHINE ESSENTIAL OILS - BIOLOGY VS. CHEMISTRY?

By their very nature, natural essential oils vary slightly from season to season in scent, color and composition. Our authentic oils embrace these natural dynamics. We do not add isolated compounds in an attempt to standardize the naturally occurring variations of our essential oils. While some companies routinely adjust oils to standardize flavor, fragrance or phytochemical consistency, Nature's Sunshine essential oils are delivered to you exactly as Mother Nature intended. We believe the best chemistry comes through great biology.

Nature's Sunshine Authentic Essential Oils have the power to cleanse, nourish and rejuvenate the body and mind. But the truth is that essential oils, though powerful, are best used in conjunction with a complete nutritional protocol. Nature's Sunshine delivers a strong selection of quality natural products that will perfectly complement your authentic essential oils program.

Friends of the Branch River (FOBR) helps Lincoln High School student complete community service requirement. Paul Suchan, a Lincoln High School senior, recently completed his service requirements for graduation through FOBR by assisting Allen Klingeisen with a river conservation project. The project consisted of a trash clean-up at all the bridge crossings on the Branch River. This included 18 crossings from Way-Mor Park to the Branch Golf Course covering over 50 miles over a three day period. Paul and Allen put in over 50 hours of work. A total of 200 pounds of trash, 33 pounds of scrap metal, and 3 pounds of aluminum cans. All this could have ended up in the Branch River if it hadn't been cleaned up. Thanks to Paul Suchan for his volunteer hours. If you would like to volunteer with FOBR, contact Allen Klingeisen at (920) 901-5166. Some upcoming FOBR events include Fox Valley Herp Club on Saturday, April 23 at Reedsville High School with two shows at 9:30 a.m. and 12:30 p.m. This is a reptile presentation with plenty of hands on with turtles, snakes both big and small, and lizards. Free to the public but a \$5 family donation is appreciated to benefit FOBR.

Please join FOBR on May 2 as we give away trees.... 5 FREE trees per family if you are a member. You can sign up that evening as well for a membership. Sponsors are eligible for trees as well. Presentation about these trees, care of them and tree give away will be held at Taus Town Hall (Taus Rd and Cty J intersection) after our Public Board Meeting at 5:30. We will be voting for President (come vote for Al Klingeisen for President), Treasurer, and Director. Contact Al Klingeisen with any questions about position vacancies, information, etc at (920) 901-5166. Enjoy some light snacks during our Event. We will also have a tree planting workshop after the meeting (date TBD) on the Hempton Rd Waste Management Site. If you want to volunteer, contact Al Klingeisen.

June 4 come with your family to Dodge Preserve from 10 - 2!! (Rain date June 11). Tractor and wagon rides, birdhouse building workshop, talk on attracting birds, catching water critters, and hiking on some neat trails! Portable toilets, sub sandwiches, cookies from Cravings, and water will be available. Thank you to Waste Management for sponsoring this Family Event! Thank you to Cravings: Home of Kristy's Kakes for their donation of cookies towards our Spring Program held at Reedsville High School on April 23 and also to Lakeshore Dental for sponsoring the event hosting Fox Valley Herp Club!

We have another brat fry on July 1st at Rob's in Manitowoc. Please come out and support our fundraising efforts for funding our Youth Leadership Program and the Vickie Mayer Memorial Scholarship Fund! If you have children 12 and older, they will be able to attend a summer Conservation Program after putting in some volunteer hours through FOBR!! Join our group and we will get you and your child(ren) started! We also have volunteer hours for high schoolers needing to fulfill community service/volunteer hours as well!
