### REEDSVILLE FIRST RESPONDERS CELEBRATE TWENTIETH HALLOWEEN DANCE

For twenty years, the Reedsville First Responders have brought the community together for one night of good music, dancing, fun and fellowship at the First Responder Halloween Dance. The dance falls on the last Saturday of October every year and takes place at the dance hall in Reedsville's Firemen's Park. The Reedsville rescue squad prides themselves on this fundraiser each year. The first responders answer over 100 calls every year. This team of nine members covers a large service area and look to these fundraising opportunities to cover most of their expenses for the emergent care of the community.

The First Responders appreciate the support of corporate and family donations throughout the year. This generosity supports the purchase of new equipment, mandatory training and supplies. The First Responders work closely with the community and with each other to coordinate any needs that might arise. "The first Responders have always been close and work together. If it is working on the Firemen's picnic or a tragic accident, we work together well" stated Maureen Glasow, secretary of the squad. Melanie Hills, president of the rescue team mentioned "we have such a vast variety of calls from a simple playground scare to a fatality - at times we really need to lean on each other to go forward after a call"

Celebrating the Twentieth Annual First Responder Dance is proof of support from a great community. Amazing raffle prizes and cash donations help increase the prizes on our raffle tickets and decrease the costs for the dance. This year's dance will be on Saturday, October 25, 2014 at Reedsville Firemen's Park on Park Street in Reedsville. There is NO cover charge and music and dancing to the music of Al Schreiber and DJ Main Connection will be from 8:30 to 12:30. Raffle tickets can be purchased in advance from any Reedsville First Responder, Classic Cuts, Valu Pro, Jim's Service and Webster's Inn. On Third Street, all in Reedsville.

Present first responders include, Melanie Hills, Tony Hills, Maureen Glasow, Debbie Brauknecht, Nicole Spindler, Jo Siebert, Amanda Rosner, Curt Biele, June Scheunemann. The First Responder team is set to make this the best annual dance yet. Get your tickets today!

### BLESSING OF PETS SCHEDULED FOR OCTOBER 4<sup>TH</sup> AT BUBOLZ MEMORIAL PARK IN REEDSVILLE

A "Blessing of the Pets" will be held at Bubolz Memorial Park in Reedsville at 11:30 a.m. on October 4, 2014. Father Timothy Brandt of Holy Family Parish, Brillion, will officiate, and pet owners of all denominations are welcome.

A privately sponsored event, the pet blessing will be conducted in support of efforts to raise funds for the renovation of the playground area and the establishment of the Reedsville "Park & Bark" dog park at Bubolz Memorial Park. There will be no charge for attendees. Light refreshments will be sold and donations are welcome.

According to Mary Olson, one of the event's sponsors, "Pets of all kinds hold a special place in our lives. Research has shown the many ways in which they add to our physical and psychological health. There are also many instances in which pets have alerted owners and their families to danger and saved lives. The pet blessing is our way of offering thanks for their companionship and asking divine protection for their health and well-being."

Owners are urged to use leashes or other means of restraint to maintain control. Barking, meowing, tweeting and other "pet sounds" are permitted!

For further information, please contact Mary Olson at 920-754-4007 or visit the Village of Reedsville website at www.reedsville.org.

**WOW! SILVER GEL**

My husband, who is diabetic, had a wound on the side of his foot near his big toe in April. Diabetics have a hard time healing. I won't even describe how terrible it looked. The doctors put a "pic" line into his arm for daily antibiotic injections. He was in a rehab center for 3 months and there was very little healing and they considered amputating the big toe (just ahead of the wound) or even his foot!

Insurance would only pay 100 days so he was sent home. Then I read about "Silver" in Mary Ellen Kiel's article. What a miracle product. After two days of application we could see results! We could actually see daily healing!

Doctors wanted follow up visits. They, including the infection specialist, were so surprised at the healing. When I asked they said yes they knew about "silver". 3 months Bob suffered with side effects from multiple pills and antibiotic injections!

-Pat Roffers

Thank you, Pat for the testimony...that says it all.

**Taking a proactive approach to breast cancer; get screened today!**

Most experts agree that women should begin regular mammograms around age 40. Women may need to have testing done earlier or more often, based on their individual risk factors, preferences and their provider's recommendations. Self-breast exams are still important to do monthly starting in your 20's. Discuss how to do these with your health care provider if you are not sure what to do. Why are mammograms so important? A mammogram is an x-ray picture of the inside of the breast. It can find cancer at a very early stage, long before a lump might be felt during an exam. When cancer is found very early, the chance for a cure is much better.

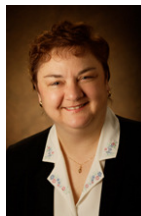

When guidelines are followed, there are no known significant risks of mammography. The dose of radiation is low and the test will not damage breast tissue.

Known risk factors for breast cancer may include:

- growing older
- personal history of breast cancer
- breast cancer in the family (especially mother or sister)
- abnormal breast exams or mammograms in the past
- no children, or having children at a late age
- diet high in fat
- prolonged exposure to estrogen (early onset of period, late menopause, long-term birth control, estrogen therapy)

Ask your health care provider when and how you will receive your mammogram results. And be sure to follow his or her advice on how often you should have a mammogram.

## Cub Scout Wreath Fundraiser

For the past four years I've had the privilege of working with many young boys through the cub scout program. It's been very rewarding for both me and the boys alike and I'd love to see it continue. Because we are nonprofit, we teach the boys to earn their own way through fundraising programs.

This fall we are having a wreath fundraiser instead of the traditional popcorn sales, something that will not only benefit the scouts but also provide some great festive decorations to your home. The scouts work to raise funds so they can continue to enjoy woodworking projects, derby car races, educational events, and summer camp. Your support to our pack would be greatly appreciated.

If a scout does not make it to your door by mid October, and you would be interested in a wreath for your home or business, please contact Sarah at 920-901-3670.
