New Owners

Reedsville

Campground

Rainbows End Campground has been purchased by Dan and Kristie Kalies and renamed Camp 10 Campground LLC. Dan and Kristie are longtime residents of the Reedsville area and look forward to helping to grow the small community that they call home. The new owners had a long-term vision of owning and operating their own campground, Dan, who is an avid outdoorsman, will oversee the day to day camp operations while continuing his Auto body business which he has ran for the past 22 years. Kristie, who currently serves as Post Master of the Mishicot Post Office, will mostly be seen at Camp 10 on the weekends, receiving campers in the camp office, planning activities, and filling the Camp Store. Dan and Kristie have three daughters Krystal, Melisa, and Dannie who will also be helping out at the campground along with their Son-in-law Ryan and granddaughter Bryar. The Kalies family has always been passionate about the outdoors and Reedsville is the perfect location for them, offering small town charm and big opportunities while staying close to their family and friends.

The couple has been busy this off season making some upgrades to the campground. Over winter they have totally renovated the inside of the camp office adding a larger camp store, a hangout area, and a game room for the kids. They also made the beach of the swimming pond larger and added a new sign in front. They plan to continue the renovations outside as soon as the weather gets warmer by redoing the mini golf course and the outside of the buildings.

Camp 10 Campground offers everything from full hookups to tent sites on 20 acres of nicely wooded land. Amenities include a swimming pond with sand beach, miniature golf, playground, volleyball, restricted flight golf, themed weekends with activities for the kids, campground store, game room, a rentable pavilion for outdoor gatherings, and propane filling station.

The campground is set to open April 12th. There will be many themed weekends and activities as well as fireworks June 30th, and a haunted trail September 21st-22nd. To get a complete list of the weekend themes and activities you can visit their website www.camp10campgroundllc.com. Sites are filling fast, you can make your reservations online or by calling 920-754-4142.

SPONSOR - A - HORSE PROGRAM

For the horses who call this place home, Sunrise Horse Farm offers a safe haven, a gentle hand and a life purpose. Horses fulfill many important roles and they tend to mirror the feelings and emotions of their handlers. Because a horse cannot communicate with words, they have to show love and hope through their actions. Our purpose is to create a safe and peaceful environment where broken children, horses, and families can find hope.

By choosing a sponsorship level, you can furthermore ensure quality care to our "equine counselors" and a cost free opportunity to the children or teens who call this their special place.

FARM BOSS—\$50.00 PER MONTH FOR 12 MONTHS - you will receive an 8x10 picture of the horse and a Sunrise Horse Farm T-shirt

HERD FOREMAN—\$25.00 PER MONTH FOR 12 MONTHS - you will receive a 5x7 picture of the horse and a Sunrise Horse Farm T-shirt

COWBOY—\$10.00 PER MONTH FOR 12 MONTHS - you will receive a 4x6 picture of the horse
 For more information, contact us or go to the website and print off the form. You can choose to sponsor Smokey or Spencer.

We are in need of volunteers any day or any time of the day so check your schedule and contact us.

National Donate Life Month

Are you ready to say 'Yes, I will' to organ donation?

April is National Donate Life Month. According to the Donate Life America website (www.donatelife.net), people of all ages and medical histories should consider themselves potential organ donors. There are different types of organ donation that potential donors should be aware of:

Living donation

A living donation occurs when a living person offers to donate one or part of their organs to another person, such as a kidney or part of their liver. It offers another choice for transplant candidates, and even better, lets kidney and liver patients receive the best quality organ much sooner, often in less than a year.

Deceased donation

Deceased organ, eye or tissue donation is the process of giving an organ (or a part of an organ), eye, or tissue at the time of the donor's death, for the purpose of transplantation to another person.

Vascularized Composite Allografts (VCA)

Vascularized Composite Allografts (VCAs) involve the transplantation of multiple structures that may include skin, bone, muscles, blood vessels, nerves and connective tissue.

The number of patients on the organ transplant waiting list continues to increase daily. Here are some sobering statistics:

- 115,000 men, women and children currently await lifesaving organ transplants.
- 22 people die each day waiting for an organ.

Registering is easy

You can register online at www.donatelife.net or register at the Department of Transportation/Division of Motor Vehicles when renewing your license or ID.
